

Ben Hulse School

Distance Learning

During School Closure

303 S. "D" St.
(760) 355-3210

Imperial, CA 92251
(fax) (760) 355-3248

Language Arts

- Log onto [MyOn](#) Teachers sent out username and password
- Choose a book to read [Finding the right book](#)
- Write a report about the book you read or create an AR test for your friends.
- Create a book of your own. Tell about your adventures during school closure.
- Find and write down 5 verbs, 5 pronouns, and 5 adjective that you found in the story.
- Create a puppet show with the characters from the book you read.

Internet Resources:

- [Reading Eggs](#)
- [Think Central](#)
- [Iread](#)
- [Starfall](#)
- [ABC Mouse](#)
- [Freckle ELA \(English Language Arts\)](#)
- [Audible - Listen to stories](#)
- [myON](#)
- [Spelling City](#)
- [Accelerated Reader](#)

Math

- Flip a coin 10, 20, 100 times to compare heads vs tail.
- Find examples of shapes in your home.
- Count all of the shoes and socks in your bedroom and in the house.
- Write math word problems using items in your room or around the house.
- Ask your mom or dad to teach you how to play the card game Rummy.
- Learn about measuring by helping your parents with cooking meals.

Internet Resources:

- [Math Seeds](#)
- [Think Central](#)
- [REFLEX MATH](#)
- [Khan Academy](#)
- [Prodigy](#)
- [Freckle Math](#)

Social Studies

- Interview family members about their memories of historical moments
- Draw a picture of your favorite holiday and write a sentence about it
- Go for a walk (keeping your distance from others, if concerned) and create a map of your neighborhood.

Internet Resources:

- [Studies Weekly](#)
- [History for kids](#)

Science

- Draw a picture of what it looks like outside and include the weather
- Observe and draw the cloud patterns you see
- Study patterns in plants by collecting leaves and doing rubbings with a crayon or pencil to observe the details
- In your home, with an adult, collect pebbles, rocks, and leaves. Use them to create a favorite animal or sort them and draw a picture of them
- Draw what the moon and stars look like each night and be sure to include the date

Internet Resources:

- [Science Curriculum at Ben Hulse](#)
- [Kids National Geographic](#)
- [Science - Bill Nye](#)
(Once you are on the website, click on LEARN at the top. Then scroll down to Science topics.)

Physical Education

- Track how many sit-ups you can do each day. See if your number increases.
- Create a new dance move
- Count the steps to move between locations in your home
- Put items in bags to lift and see if you can add More items after a few days
- Invent a new sport
- Play a game of cards or jacks on the kitchen floor
- Play Red Light Green Light, Simon Says, tag, or Mother May I
- Create your own game

Internet Resources:

- [GoNoodle](#)
