What is Title I?

Title I is a program that provides additional academic support and learning opportunities for students at schools with high percentages of socioeconomically disadvantaged children.

The program is intended to help ensure that all students meet state academic standards.

What does School Wide Title I mean?

Ben Hulse School receives federal money for our enrollment of free/reduced lunch numbers. The money is used to improve academic achievement in reading and math. The Title 1 funds are used to hire instructional aides, improve curriculum instruction, enhance parent involvement and extend learning time for students who need extra help. These opportunities are provided to students throughout the school.

A decorative blue wavy border with circular loops frames the entire slide. A red diagonal band runs from the bottom left to the top right, partially obscuring the text.

Goals of Title I

- **Increase academic achievement**
- **Provide direct instructional support to students**
- **Provide professional development for teachers**
- **Promote parent education and involvement**

Parent Involvement

The School Site Council (SSC) provides parents with an opportunity to be involved in the academic program of the school. The SSC develops, monitors, and evaluates the School Plan for Student Achievement (SPSA) to implement programs and services that support students.
